\*Note that you are unable to GA past your timeline limits (first 6 terms for MSc, first 12 terms for PhD), and the number of GA positions are also limited within that timeline.

\*\*Note that the first year's payment for tuition and fees cannot be paid to the student until AFTER the fees are paid to the university and the student is officially enrolled. You must pay these costs out-of-pocket in and then be reimbursed.

<sup>†</sup>Tuition and fees are not covered for students on OGS or NSERC scholarships

<sup>‡</sup>Summer stipends are not paid for NSERC scholarship recipients and are paid at 75% for OGS recipients
